

Wadebridge Web Wheels

Photo Competition Entry

Wadebridge Wheels invites classic vehicle owners to post photos of their vehicle on its Facebook page: www.facebook.com/WadebridgeWheels/

No more than 3 photos per post. At least one of the photos should preferably include the owner as well, but this is not compulsory if people would rather keep their faces private.

In addition to the photos, we need to have the following information included in the post:

- Vehicle Make
- Model
- Year registered

If you don't have a Facebook account, email your photos and details to publicity@wadebridgewheels.co.uk and we will put them on Facebook for you.

Awards categories

Awards will be made in the following categories

1. Best in Show
2. Best American
3. Best Motorcycle
4. Best Commercial Vehicle
5. Best Pre-70
6. Best Post-70

Please note that we have updated the Pre-60/Post-60 categories to Pre-70/Post70, having suddenly realised that a pre-1970 vehicle is more than 50 years old. This will continue for Wheels in the future.

7. Vehicle that looks most like its owner
8. Shiniest vehicle
9. Most stylish accessories – 1920s picnic set, fluffy dice, stuffed toys, etc, etc.
10. Cutest child or pet in vehicle
11. Best fun photo of vehicle, or vehicle and owner
12. People's Choice Award – to the entry with most Facebook 'likes'.

Awards

All winning entries will be announced on Facebook and the Wheels website on 19th July.

All winning entries will receive a VIP windscreen entry card if they register for Wheels 2021, giving access to the new VIP parking/display area.

Please note that there is no requirement for winners to attend Wheels 2021, and if they do, winners may park with their friends or clubs if they prefer.

Timings

The competition is open now.

The submission deadline is Sunday 12th July 2020 (the date we would normally have closed registrations). Photos posted after this date will appear on Facebook, but will not be entered for judging.

Judging will take place 13th–18th July 2020.

Announcement of Winners on Facebook and Website will be on Sunday 19th July 2020 (the original Wheels date).

Fund raising

Entry to Virtual Wheels is free.

However, Wheels was founded as a way of generating vital funds for local Wadebridge and Cornish charities, which last year raised £28,000. It has taken us over 20 years to build up to that sort of amount and we do not expect to be able to create alternative sources at short notice, during Covid-19. That money will be missed this year.

So we ask anyone entering a photo, or just enjoying looking through them all, if you will make an online donation to St Petroc's Society, helping the homeless in Cornwall.
